BOOK SYNOPSIS

Marie Carrington is running from a host of bad memories. Broke and desperate, shes hoping to find safety and sanctuary on Prince Edward Island, where she reluctantly agrees to help decorate a renovated bed-and-breakfast before it opens for prime tourist season. Seth Sloane didnt move three thousand miles to work on his uncles B&B so he could babysit a woman with a taste for expensive antiques and a bewildering habit of jumping every time he brushes past her. He came to help restore the old Victorian--and to forget about the fiancée who broke his heart. The only thing Marie and Seth agree on is that getting the Red Door Inn ready to open in just two months will take everything theyve got. Can these two wounded souls find hope, healing, and perhaps a bit of romance on this beautiful island? Step into the Red Door Inn, a lovely home away from home tucked along the north shore of fabled Prince Edward Island. Its a place where the wounded come to heal, the broken find forgiveness, and the lonely find a family. Wont you stay for the season?
