BOOK SYNOPSIS

For courses in Two-Semester A&P. Using Art Effectively with the Most Visual Approach to A&P Visual Anatomy & Physiology combines a one-of-a-kind visual approach with a modular organization that uniquely meets the needs of today's students—without sacrificing the comprehensive coverage of A&P topics required for careers in nursing and other allied health professions. The 3rd Edition presents key new features based on recent research about how information is used and digested. New modules in the first chapter emphasize how to use art effectively when studying; new Integrated Figure Questions increases the likelihood you will spend time viewing the art and prompts you to consider what you have just learned; and new SmartArt Videos, accessible via QR code in the book, help in navigating key, complex pieces of art on some of the toughest topics. New Interactive Physiology 2.0 tutorials, SmartArt Video Activities, and a mobile-friendly eText expand the options for students to use Mastering™ A&P as an effective practice and learning tool. Also available with Mastering A&P Mastering™ A&P is an online homework, tutorial, and assessment program designed to engage students and improve results. Instructors ensure that students arrive ready to learn by assigning educationally effective content before class, and encourage critical thinking and retention with in-class resources such as Learning Catalytics™. Students can further master concepts after class through assignments that provide hints and answer-specific feedback. With a wide range of activities available, students can actively learn, understand, and retain even the most difficult concepts. Note: You are purchasing a standalone product; Mastering™ A&P does not come packaged with this content. Students, if interested in purchasing this title with Mastering A&P, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. If you would like to purchase both the physical text and Mastering A&P, search for: 0134396405 / 9780134396408 Visual Anatomy & Physiology Plus Mastering A&P with eText -- Access Card Package Package consists of: 0134394690 / 9780134394695 Visual Anatomy & Physiology 0134469550 / 9780134469553 Mastering A&P with Pearson eText -- ValuePack Access Card -- for Visual Anatomy & Physiology Mastering A&P should only be purchased when required by an instructor.

VISUAL ANATOMY & PHYSIOLOGY 2ND EDITION - Are you looking for Ebook Visual Anatomy & Physiology 2nd Edition ? You will be glad to know that right now Visual Anatomy & Physiology 2nd Edition is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product. Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. Visual Anatomy & Physiology 2nd Edition may not make exciting reading, but Applied Numerical Methods With Matlab Solution Manual 3rd Edition is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with Visual Anatomy & Physiology 2nd Edition and many other ebooks.

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with Visual Anatomy & Physiology 2nd Edition . To get started finding Visual Anatomy & Physiology 2nd Edition , you are right to find our website which has a comprehensive collection of manuals listed.
